Terms and Conitions of Boarding

Whilst every possible attention is given to each pet boarded with us, it is boarded entirely at the owner's own risk, as are pets sharing accommodation. Should we feel the need to separate them in the interest of the animal's own safety, a relevant charge for the extra accommodation will be levied.

Any current or ongoing problems with a pet's health or temperament must be notified to us at the time of booking. We reserve the right to refuse any pet that we consider to be of an unreliable temperament or sick at the start of boarding.

Fees are charged at a daily rate, inclusive of arrival and departure day. Should an animal be collected before the booked departure date, the reserved occupancy will be charged. Payment in full will be required at the time the boarding is due to commence.

If applicable please note all pets are insured whilst in our care, excluding fees or death in connection with any condition that existed prior to boarding, or the cost of cremation (subject to terms and conditions).

We reserve the right to dispose of animals not collected within 14 days of the stated departure date if there is no communication from the owners or guardian and efforts to contact the owner fail.

Specific Notes (regarding temperament of the dog/bitch i.e. do they need to be kennelled on their own; have injuries we need to be aware of; have a specific dietary need.)

Should it be necessary at our discretion for a vet to be called for any health condition existing prior to boarding all fees are the responsibility of the owner.

The daily charge is payable in advance from the day of admittance to the day of pick up or the date of booked departure whichever being applicable.
